Determination: Referral Examined, Preliminary Investigations and Inquiries Conducted. Proposal Not to be Assessed Under Part IV of EP Act. No Advice Given. (Appealable)

The EPA has carried out some investigations and inquiries before deciding not to assess this proposal. In deciding not to formally assess proposals, the EPA has determined that no further assessment is required by the EPA.

Explanation of Decision: The EPA considers that the likely environmental effects of the proposal are not so significant as to warrant formal assessment because the proposal is located on cleared agricultural land. The EPA is of the view that the potential impacts of the proposal can be adequately managed through the implementation of the proposal in accordance with the referral documentation and the proponent's management and mitigation measures.

Determination Appealable. Appeals administered by Office of Appeals Convenor. Appeals close: 31-10-16
