c) Public environmental review	4
<i>Total submissions:</i>	4

Decision: s. 39A – Assess

Level of assessment: (Information required for EPA’s assessment)

Referral information

Explanation of decision:

The proposal raises a limited number of preliminary key environmental factors. The proponent has provided adequate referral information about the proposal, the potential impacts and proposed management measures to enable the EPA to undertake its assessment. There is limited, or local concern about the likely effect of the proposal, if implemented, on the environment.

Appeals: Decision not appealable.

Dr Tom Hatton

CHAIRMAN

Delegate of the Environmental Protection Authority
