

Conditions relevant to management plans

| Number | Proposed Condition |
|--------|--|
| MP-1 | <p><u>Environmental Management Plans: Conditions Relating to Approval, Implementation, Review</u></p> <p>C2-1 Upon being required to implement an environmental management plan under Part B, or after receiving notice in writing from the CEO under condition C1-1 that the environmental management plan(s) required in Part B satisfies the relevant requirements, the proponent must:</p> <p>(1) implement the most recent version of the confirmed environmental management plan; and</p> <p>(2) continue to implement the confirmed environmental management plan referred to in condition C2-1(1), other than for any period which the CEO confirms by notice in writing that it has been demonstrated that the relevant requirements for the environmental management plan have been met, or are able to be met under another statutory decision-making process, in which case the implementation of the environmental management plan is no longer required for that period.</p> <p>C2-2 The proponent:</p> <p>(1) may review and revise a confirmed environmental management plan provided it meets the relevant requirements of that environmental management plan, including any consultation that may be required when preparing the environmental management plan;</p> <p>(2) must review and revise a confirmed environmental management plan and ensure it meets the relevant requirements of that environmental management plan, including any consultation that may be required when preparing the environmental management plan, as and when directed by the CEO; and</p> <p>(3) must revise and submit to the CEO a confirmed Environmental Management Plan if there is a material risk that the outcomes or objectives it is required to achieve will not be complied with, including but not limited to as a result of a change to the proposal.</p> <p>C2-3 Despite condition C2-1, but subject to conditions C2-4 and C2-5, the proponent may implement minor revisions to an environmental management plan if the revisions will not result in new or increased adverse impacts to the environment or result in a risk to the achievement of the limits, outcomes or objectives which the environmental management plan is required to achieve.</p> <p>C2-4 If the proponent is to implement minor revisions to an environmental management plan under condition C2-3, the proponent must provide the CEO with the following at least twenty (20) business days before it implements the revisions:</p> <p>(1) the revised environmental management plan clearly showing the minor revisions;</p> <p>(2) an explanation of and justification for the minor revisions; and</p> <p>(3) an explanation of why the minor revisions will not result in new or increased adverse impacts to the environment or result in a risk to the achievement of the limits, outcomes or objectives which the environmental management plan is required to achieve.</p> <p>C2-5 The proponent must cease to implement any revisions which the CEO notifies the proponent (at any time) in writing may not be implemented.</p> |
