Darren Walsh  
Chair  
Environmental Protection Authority  
8 Davidson Terrace  
Joondalup, WA 6027

Attention: Danielle Griffiths

1 March 2025

Dear Mr Walsh,

***Referral of the Turner River Solar Hub under Section 38 of the Environmental Protection Act, 1986***

Pilbara Energy (Generation) Pty Ltd (PEG), a wholly owned subsidiary of Fortescue Ltd (Fortescue) wishes to refer a new development - the Turner River Solar Hub (the Proposal) under Section 38 of the *Environmental Protection Act, 1986* and submit the following information for the consideration of the Environmental Protection Authority:

1. Turner River Solar Hub – Section 38 Environmental Review Document (548PG-5670-RP-EN-0001), Rev 0 issued 28 February 2025.
2. Referral form
3. Proposal Content Document
4. Spatial data (Development Envelope and Indicative Disturbance Footprint).

Fortescue trusts that the information provided meets the requirements for referral of the Proposal. Should you have any further queries, please contact Sofie Springer, Senior Environmental Advisor, at [sofie.springer@fortescue.com](mailto:sofie.springer@fortescue.com) or 0427 956 222.

Yours sincerely

**FORTESCUE**

JARROD PITTSON  
**Group Manager, Environment and Closure**
