Public comment on referral information:

Do not assess:	0
Assess: a) Referral information	0
b) Environmental review - no public review	1
c) Public environmental review	1
<i>Total submissions:</i>	2

Decision: s. 38G(1) – Assess

Referral Information with additional information (required under s. 40(2)(a) of the Environmental Protection Act 1986) and public review.

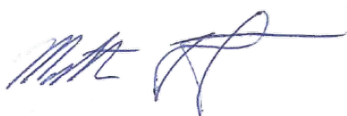

Other details

- Public review period for additional assessment information (4 weeks).

Explanation of decision:

Detailed assessment is required to determine the extent of the proposal's impact on terrestrial fauna, inland waters, air quality and social surroundings and whether the EPA environmental factor objective can be met. The EPA considers that the proponent has provided sufficient to undertake the assessment on Referral Information but may seek clarification during assessment.

Appeals: Decision is not appealable.
